Here at CTL we hold the local community in the highest regard. You are the foundation of our audience, and we want to offer you the lowest prices possible and the best seats available. The pricing information below illustrates the difference between purchasing a membership and purchasing individual tickets to all six performances. A membership ensures you one seat to a performance for each regular-season production. In addition to saving on tickets, you will be a vital part of our theatre's continued success.

Membership	\$100
Individual Tickets	\$150

I would also like to promote our multiple ticket discounts available for each performance. If you plan on attending a performance as a group, our multiple ticket discounts will be a great benefit. Just remember, all purchases using this discount must be made one week prior to the performance!

Multiple Ticket Discounts		
Number of Tickets	Discounted Price	Total Cost
2	\$ 22	278
3	\$ 20	430
4	\$ 18	582
5	\$ 16	734
6	\$ 15	885

Enjoy the season,
